

Municipal Incorporation

The Village of Roberts Creek?

QUESTIONS & ANSWERS

The questions and answers provided are answered to the best of the ability of the adhoc Roberts Creek Research Committee on Incorporation (RCRCI)

The RCRCI is still awaiting reply from the Provincial Ministry's Agent since our last Town Hall Meeting on May 30/04. The RCRCI will publish the complete and official answers to these and other questions as soon as that information is received.

Regardless, only with a Formal Provincially funded Restructuring Study could all questions be answered.
